YOU CAN ALSO VOLUNTEER WITH US!

ALICE stands for **Asset Limited, Income Constrained, Employed**. They are our neighbors, friends, family members, and essential workers who earn above the Federal Poverty Level but still struggle to afford basics like housing, food, child care, healthcare, and transportation. **40% of families in Okaloosa and Walton counties live below the ALICE threshold.**

Like many ALICE families, the Osbourns were working hard but struggling to keep up with the rising cost of child care. Through United Way Emerald Coast and a local non-profit partner, they received support that helped keep their children in quality child care and allowed both parents to continue working.

"With how expensive everything is nowadays, it often feels like we're working just to afford childcare. Without programs like this, many families, including mine, wouldn't be able to make it."
– Mrs. Osbourn

Your gift helps hardworking local families access the support they need.
