#### DURING CAMPAIGN:

**Suggested Subject: More Collective Impact**

United Way Emerald Coast increases the value of your giving by leveraging corporate and community partnerships for greater impact. UWEC's 49 local Partner Agencies may be able to access matching funds, volunteer support, and strengthen collaborations to stretch your donation even further!

UWEC gathers data to assess the most critical needs in the community. Certified, local nonprofits receive funding, training, and collaboration to address our community's greatest needs. As needs arise UWEC steps in to fill service gaps with programs and initiatives like Stamp Out Hunger, Ride United, and so much more!

Your contribution works to help **more** children be successful in school and **more** families become financially stable. A donation of as little as \$20/month may ensure 12 local children are able to participate in quality after-school programming. YOU can be the difference!

Please return your pledge card to (NAME) by (DATE) or make a gift online by visiting [www.united-way.org/donate](http://www.united-way.org/donate).

**Suggested Subject: There is Still Time - Make a Difference!**
