Message from our President and CEO...

Thank you. Without your giving, there would be no United Way. There would be no singular way to help people in emergencies, provide basic social services, and solve long-term problems in Okaloosa and Walton Counties. It’s as simple as that.

But because you do give, the United Way partnership works, every day, for all of us - making a difference in countless lives. Thank you to the individuals and corporations listed here for their continuing support, particularly in these challenging times.

WHERE WE RAISE MONEY
We obtain funds from four basic and traditional sources:

<table>
<thead>
<tr>
<th>Source</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employee Workplace Fundraising</td>
<td>68%</td>
</tr>
<tr>
<td>Corporate Contributions</td>
<td>22%</td>
</tr>
<tr>
<td>CFC</td>
<td>8%</td>
</tr>
<tr>
<td>Individual Donations</td>
<td>2%</td>
</tr>
</tbody>
</table>

WHERE WE ALLOCATE FUNDS
We allocate funds based upon request from our partner agencies to support specific programs. Generally, our funding priorities fall into three high-impact community need categories:

<table>
<thead>
<tr>
<th>Category</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Children &amp; Education</td>
<td>39%</td>
</tr>
<tr>
<td>Financial Stability &amp; Disaster Readiness</td>
<td>33%</td>
</tr>
<tr>
<td>Health &amp; Prevention</td>
<td>28%</td>
</tr>
</tbody>
</table>
Allocating funds to programs for United Way of Okaloosa-Walton Counties’ Partner Agencies is a very involved process and United Way staff does not make any decisions about allocations. Many trained volunteers from within our community serve on the Fund Distribution Committees spending several months carefully analyzing our community’s needs, evaluating the performance and impact of agency programs and studying funding requests. Once the committee’s recommendations are approved by United Way of Okaloosa-Walton Counties’ Board of Directors, funds are distributed to programs that make the greatest impact in our community. This Fund Distribution process is key for the accountability of the United Way and of each of its Partner Agencies.

Any updates or corrections for this year will also be made to the digital copy of this report on our website at www.United-Way.org
A copy of the official registration & financial information may be obtained from the division of consumer services by calling toll free 800-435-7352 within the state. Registration does not imply endorsement, approval or recommendation by the state. The United Way of Okaloosa - Walton Counties (UWOW) registration # is CH696, retains 100% of each contribution.

To recover the costs for collecting and processing designations, including pledge shrinkage that occurs, and per standard accounting procedures, UWOW applies the most recently audited administrative costs appearing in the organization’s most current IRS Form 990. For calendar 2014, as reflected in our 2013 audit and 990, that percentage was 11.69%. Federal regulations encourage administrative costs of 25% or below, but permit acceptable administrative costs of up to 50%.
