When times were tough during my childhood, United Way programs like Cram the Van and Coats for Kids provided me with school supplies and a warm jacket. Community Partners like Sharing and Caring provided our family with hot meals and the Boys & Girls Club taught me how to sew. But the biggest impact came from volunteers who read to me and spent quality time with me. UNITED WAY provides these services and programs to children in need right here in Okaloosa & Walton Counties.

Today, I’m a successful mom and business woman.
I am the face of change and I want to let others know that no matter what, someone cares for them.
At UNITED WAY we are more than fund raisers, we are the hand raisers and the game changers.
But change doesn’t happen alone.
