

2019 Days of Caring Volunteer Application

Days of Caring is an opportunity for volunteers to make a lasting impact in Okaloosa & Walton Counties by coming together over a 5-day period and choosing one or more days to better the lives of those in our community through "hands on caring". Be part of this fun day of community service by volunteering to improve non-profits, schools and parks in our community.

How can you be part of this incredibly rewarding experience?
